REPORT ON UNION SEMINARY.

The Committee to whom was referred the report of the Trustees of Union Theological Seminary submit to the Synod the following report:

It is cause of thanksgiving to Almighty God, that he has vouchsafed to our beloved Seminary such signal prosperity in all its operations during the past year.

The report shows a steady and healthful growth in the Seminary. Last year there were thirty-three matriculates and seventy-seven students in all. This is the largest number of students attending in one year. We have also learned from an authentic source that twenty-five or more new students have entered the Seminary this session, and have fully filled up the gap made by the graduating class, and that there are already about seventy students present.

Very few of the students left the Seminary before the close of the session whose action was not approved by the Faculty.

Nothing in relation to the funds of the institution calls for especial attention, except that we learn with gratitude to God and to the donors, that T. M. Niven, Esq., of New York, contributed one thousand dollars, and Mr. Joseph B. Wilson, of Virginia, donated three thousand and five hundred dollars to aid in founding scholarships.

More than three hundred volumes have been added to the Library during the year and it now numbers nearly ten thousand volumes.

Last year the Synod directed its Treasurer to forward to the Treasurer of the Seminary a sum sufficient to pay the expenses of the Directors from this Synod ; and the amount necessary to be raised for this purpose, was distributed among the several Presbyteries. Only two Presbyteries, viz : Orange and Wilmington have paid in their quotas, and consequently the funds have not been sent by our Treas-

urer. We recommend that the Synod urge upon the Presbyteries to forward their quotas promptly so that the amount needed for our directors may be forwarded annually before the 1st of April, to the Treasurer of the Seminary.

The term of the 4th Class of the Directors expires at this Session of Synod. We recommend that this class be constituted and appointed as follows: Rev. J. P. McPherson, Rev. Walter W. Pharr and Ruling Elder D. A. Davis.

We express our continued satisfaction in reviewing the affairs of this institution and our hope and belief that under the blessing of our covenant God, it will go onward and upward in enlarged usefulness.

We recommend that the report of the Trustees be published in the appendix to the Minutes of Synod.

The Committee appointed to prepare a Synodical Map, made the following report which was received and the Committee continued:

Your Committee would respectfully report: The first effort of the Committee was to gather and arrange the facts essential to perfect such a Map as the Synod should have. Brethren in different parts of the Synod were solicited to collect data for the Committee, in some instances almost importuned, but the replies have been so partial, the facts so meagre, that the Committee was left without the material necessary for the construction of a map. For the Presbyteries of Orange, Wilmington and Fayetteville the Committee have quite full and accurate returns. And from some of the counties of the West we have received very satisfactory and substantial assistance. But the Committee is unable to present to Synod a digest of the material collected owing to the lateness at which these returns were rendered.

The second effort of the Committee was to ascertain the cost of the publication of such a map. Here there was considerable delay because we could not state accurately the amount of additional matter required to be put into a map of the State. At length an estimate of what might be desired was made and correspondence entered into with various parties. The first attempt was to ascertain the cost of the rent or purchase of some existing Stone on which might be engraved the additional facts necessary for our purpose. In this we failed, as none of the holders of stones would consent as the stone would be useless to them afterwards.

The latest and perhaps the best Map of the State, (Pearce's) published by Mr. Williams of Raleigh, proving upon examination so inaccurate for our purposes in many particulars, the cost of engraving a new stone was inquired of the same publishers. From them, at present the

largest Map publishers in the United States, we learn, that the cost of preparing, engraving and printing on sheets a Synodical Map 40 inches wide, (scale 13 miles to the inch), with leading geographical facts, and the additional data required for our use would probably be \$400 per thousand, or not more than \$500. This would leave under the Western part, space for explanatory and statistical matter.

The additional cost for the binding cheaply or mounting on cloth would be \$40 per hundred. This would make the cost of each map from 80 to 90 cents. We think additional inquiry might lead to more satisfactory information, and that what we wish might be secured for half that amount.

It is believed that perhaps the cheapest and simplest method of supplying the Synod with a Synodical Map would be to purchase some impressions (not in colors) already made, and having the additional facts written by a clever draughtman in colors upon these printed impressions.

This would show at a glance the status of the Presbyterian Church in the State.

The Committee appointed to prepare an address to the Churches within the bounds of Synod made the following report which was accepted and approved :

The Synod of North Carolina to the Churches under its care :

Grace be unto you, and peace from God our Father and from the Lord Jesus Christ. We give thanks unto God for you all brethren, making mention of you in our prayers ; while we rejoice in your steadfastness in the Gospel.

Our hearts are with you and our prayers arise in your behalf both day and night. We trust that you also are praying for us that the blessing of God may follow our deliberations.

We are glad and thankful to God to be able to say to you, that the preaching of the Gospel during the past year has been owned and blessed by the Great Head of the Church. Every one of our Presbyteries reports encouraging additions to the membership of the Churches.

In some congregations extensive revivals are reported.

But while we rejoice over those who are thus blessed, we sorrow with deep and unfeigned sadness over the many among whom no such tokens of divine favor have been seen. In the large majority of our congregations the word of God seems to have fallen among thorns. The cares of the world have choked the word and rendered it unfruitful. Brethren of these unawakened congregations we urge upon you to consider the question, Why is it thus ? Is it in any sense your fault ? There is such a thing as the coming of sin between us and the Lord,

so that his ear is closed and his arm shortened that he will neither hear nor help. Is it so with you?

We call your attention to the subject of family religion. Those of you who are heads of families are put by the Lord into a position of peculiar responsibility, privilege and influence. If pastors of churches watch for souls as those who must give account, much more should they do so who are bound by such intimate and tender ties to them who are committed to their care.

Brethren are you bringing them up in the nurture and admonition of the Lord? Have you consecrated them to the Lord as it is your privilege to do? Are you teaching and training them in reliance upon God's covenant grace? If you are not then we feel it our duty to tell you very plainly and clearly, that you are putting to risk the souls of your children. If you are, then we rejoice in the grace given you to do your duty, and we assure you that you may confidently rely upon the promise of the Lord and commit your children to Him.

In this connection we would mention with grave disapproval and rebuke, the too common unfaithfulness of fathers of families. In too many households the whole teaching and training of children for Christ is left to the mother, and she, unsupported by the father, is left and permitted, nay even constrained by conscience to take up and bear their whole duty and responsibility. To those praying, toiling, patient and faithful mothers, we say be not weary in well doing, in due season ye shall reap if ye faint not. The blessing of our covenant keeping God is promised and will rest upon your labors. Faithful is he that promised.

The failure of many to do their duty in training their children suggests and forces upon us another question. Have the Lord's people forgotten that they are not their own, that they belong to Him who bought them and paid for them with his own precious blood, and are bound with no common bond to glorify him with their bodies and spirits which are His? Brethren what is the measure of your personal consecration to your Lord? Do you remember that they who would serve Him must serve Him in singleness of heart?

Are your hearts thus engaged, and are you giving diligence to make to make your calling and election sure? There is danger dear brethren that many who now call themselves christians will claim at the last that they have eaten and drank in the Lord's presence, only to hear Him say I never knew you. We entreat you to make sure in this matter.

What are you doing with your substance? Are you holding it and using it for the glory of God and for His service, or are you using it for your own service and to further your own ends? He claims it as His and in theory you allow the claim. But what is your practice? Alas,

the straitened condition of the Foreign and of the Home work alike, speaks too plainly to admit a doubt as to what the answer to this question must be.

Now beloved the Lord's claim is that you consecrate to Him, yourselves, your children and your estate. Whenever this shall be done we may be well assured that the salvation of the world is drawing nigh. Now if this be true, it may be said that it is true in an important sense, that the glorious kingdom of our Saviour is delayed and waits for the faithfulness of His own people. How long shall it be delayed? How long shall we bear this responsibility? How long 'till we all shall be found, looking for and hastening unto that day and watching the coming of the Lord?

Brethren we commend you to God. The grace of our Lord Jesus Christ be with you all.

P. H. DALTON,

Moderator.

On motion the Moderator added to the Committee on leave of absence, the Rev. Messrs. J. P. McPherson, R. M. Tuttle and Ruling Elder J. R. McNeely.

The resolutions appended to this report were adopted and are as follows:

ON THE DEATH OF REV. J. C. WILLIAMS.

The Committee appointed to prepare a minute relative to the death of the Rev. John C. Williams, Pastor of Hopewell Church, Mecklenburg Presbytery, whose death has already been announced through the report of that body as having occurred on the 22d October, 1874, present the following:

While we bow with profound submission to His will who doeth all things wisely, "we are dumb because Thou didst it." This Synod in view of the death of Rev. John C. Williams, would record its gratitude for the counsel and labors of such a faithful servant, even for the brief period he was permitted to live and labor among us—it likewise expresses its high appreciation of his worth, of his private social qualities, his faithful pastoral labors and punctuality in attending upon the meetings of the Courts of the Lord's house, a brother much beloved in life and greatly lamented in death, and his memory is still as ointment poured forth.

ON THE DEATH OF REV. H. A. MUNROE.

WHEREAS, God in his providence has suddenly removed from our midst by death, Rev. H. A. Munroe, therefore this Synod is called on to make this minute of his death.

Resolved 1. That in the death of Rev. H. A. Munroe, we have lost an honored Minister, a faithful presbyter, and a wise counsellor in things pertaining to the Kingdom of God.

Resolved 2. That we hereby tender our sympathies to the bereaved widow and children of the deceased, and pray that God may take them under His heavenly care.

The special Committee on Beneficiary Education, presented a report which was amended, adopted, and is as follows :

The Committee appointed to prepare a paper on the subject of Beneficiary Education beg leave to present the following :

Your Committee is persuaded that in the peculiar condition of Southern society at the close of the late war, private resources generally being very much reduced, and many young men who were looking forward to the Gospel Ministry, greatly retarded in their course of preparation, that the system of Beneficiary Education seemed to be a necessity. Under the exigencies of the times this system seemed to be the only expedient, which promised to furnish an immediate and adequate supply of Ministers for our churches.

It was then wise in our beloved church, appreciating her necessities, to do what she could to supply these necessities, and to this end, to extend material as well as moral encouragement to her young men who felt called of God to preach His word.

But as our circumstances, as a church, are now different from what they then were, it may be that what was then a necessity is no longer such, and that it is now both unwise and dangerous to prosecute the same system without important modifications.

Your Committee would therefore respectfully present for the consideration of Synod, the following recommendations :

Resolved 1. That this Synod recommends to its several Presbyteries, to examine carefully into the propriety of their assuming entire control of the education of their candidates for the Gospel Ministry.

Resolved 2. That the Synod recommends to its several Presbyteries, to consider the propriety of modifying their system of aiding their candidates, so as to put such assistance in the form of a loan rather than a donation.

Resolved 3. That the Synod recommends to its Presbyteries the propriety of rendering their assistance to candidates for the Ministry, only at the last stage of their course of preparation, except in peculiar cases.

The following report was accepted and adopted :

The Committee to whom was referred the report of the trustees of Synod beg leave to recommend the following :

1. That the Synod so change the mode of electing its Trustees as to choose them every four years, beginning with the present meeting of Synod, and the following named Trustees be chosen now to serve until the meeting of the Synod in the year 1879, viz: Col. Jno. E. Brown, Chairman, Col. J. B. Rankin, Mr. J. L. Brown, and Mr. T. H. Brown of Charlotte, N. C., Mr. J. H. Welborne of Lexington, N. C., and Mr. D. F. Cannon of Concord, N. C.

2. That the Trustees be authorized to make such a compromise as in their judgement they may deem best, with Mr. J. H. Stephenson and with Mr. J. Lyons, the two parties indebted to the Synod.

The Committee on the Records of Orange Presbytery. reported, recommending that they be approved.

This report was accepted and adopted.

The following report was accepted and adopted :

The Committee on the Treasurer's account report that they have examined the account and vouchers, find them correct and recommend their approval. They also recommend that the Treasurer be instructed to remind the delinquent Presbyteries of their indebtedness, and to forward to Mr. F. N. Watkins, Treasurer of Union Seminary, the amount advanced by him for the expenses of North Carolina Directors, last April, as soon as possible.

The Committee on Bills and Overtures, and the Judicial Committee reported that no business had come into their hands and were discharged.

The report of the Agent of Education was taken from the Docket, and after some further consideration it was on motion laid on the table.

The following resolutions were then adopted :

Resolved 1. That in the judgment of this Synod it is the duty of the church to pray unceasingly to her Head for a large increase of Candidates for the Gospel Ministry.

Resolved 2. That it is the judgment of Synod that contributions to the cause of Education ought to be made for the benefit of candidates as such, without regard to the real or supposed pecuniary condition of any class—and subject to distribution at the option of the church.

The Rev. Neill McKay, D. D., tendered his resignation as Agent of Education.

His resignation was accepted and the thanks of the Synod tendered to Dr. McKay for his faithful discharge of duty.

The Rev. L. McKinnon was then appointed Agent of Education in the place of Dr. McKay.

The following resolution was adopted :

Resolved, That the thanks of this Synod be cordially extended to the good people of this city for their kindness and hospitality to its members during the present Sessions, to the Ministers and Officers of the Methodist and Baptist Churches; to the Officers of the Colored Presbyterian Church for the uses of their houses of worship; to the President and Officers of the Rail Roads which have passed our members on one fare; that this resolution be read from the pulpit by the Pastor to-night, and the Editors of the city be requested to publish the same in their papers.

The Committee on the Minutes of the General Assembly reported that they had examined said Minutes and find nothing claiming the attention of Synod, and were discharged.

The Stated Clerk was directed to make the following report to the General Assembly of the Presbyterian Church in the United States, viz :

The Synod of North Carolina respectfully reports to the General Assembly of the Presbyterian Church in the United States, that it consists of five Presbyteries, and these Presbyteries consist in whole of 102 Ministers, having under their care 209 Churches, 13 Licentiates, and 32 Candidates, viz :

		Miscellaneous.....	163 48
Total.....		\$1,925	94

Owing to the extreme scarcity of money our churches have not contributed so largely as in former years, though an opportunity has been regularly afforded to our people to worship God with their substance.

These collections are regularly made, as in former years, but the amounts received from Sabbath to Sabbath are from one-third to one-half less.

It is also due to our churches to state, that some of them, at least, have not yet reported the amounts collected during the past Summer.

By order of the Presbytery,

JAMES P. McPHERSON,

October, 1875.

Stated Clerk.

MECKLENBURG PRESBYTERY.

We report an increase of \$1,841 in the aggregate, while the number of contributing churches is less than last year, except in case of the Invalid Fund, to which object two more churches contributed than did last year.

Seven churches gave to all the objects of Benevolence ; seven to five of them ; four to four of them ; two to three of them ; two to two of them ;

REPORT OF THE SYNODICAL AGENT OF SABBATH SCHOOLS.

To the Synod of North Carolina:

Your Synodical Agent of Sabbath Schools respectfully presents the following report for the year ending April 1st, 1875:

Fayetteville Presbytery—23 schools, 208 teachers, 1,599 scholars; average attendance, 137 teachers, 895 scholars; increase, 22 teachers, 96 scholars; decrease, 6 teachers, 7 scholars; number added to the church, 4 teachers, 122 scholars; amount contributed to school, \$184; amount for benevolent purposes, \$54.

Wilmington Presbytery—11 schools, 547 scholars; average attendance, 350 scholars.

Total—113 schools, 664 teachers, 6,677 scholars; average attendance, 490 teachers, 4,126 scholars; increase, 43 teachers, 277 scholars; decrease,

42 teachers, 230 scholars; number added to the church, 34 teachers, 376 scholars; amount contributed to schools, \$1,228; amount for benevolent purposes, \$506.

Our 209 churches report 113 schools. This is an advance of 32 schools over the number reported last year. Wilmington Presbytery sends no report, and your Agent can get from the the Minutes of the General Assembly only the number of schools and scholars. Mecklenburg Presbytery does not report the number of teachers. There appears to be a decrease in both teachers and scholars.

The schools are generally under Sessional control. There is no regular system of preaching to children apart from the congregation.

The *Earnest Worker* and *Children's Friend* have not been generally taken. A great variety of instruction books have been used, and the Scriptures are generally memorized to some extent. The catechisms are usually taught.

While in some Presbyteries deep interest is shown in this great work, and Sabbath School Conventions have been organized, there is not such attention given to the cause throughout the Synod as its importance deserves.

Respectfully submitted by your Agent,

Greensboro, N. C., Oct. 16, 1875.

L. C. VASS.

UNION THEOLOGICAL SEMINARY, VA., 1874-'75.

Annual Report of the Trustees of Union Theological Seminary, in Virginia, to the Synod of North Carolina and Virginia, and to the General Assembly of the Presbyterian Church of the United States, for the year ending 14th April, 1875.

The trustees respectfully submit this their Annual Report.

Seventy-seven students have been in attendance during the past Seminary year, forty-four of whom were former students and thirty three were *new* matriculates. This is an advance of seventeen, upon the number enrolled in 1873-'74, and is the largest number attending in any one year of the history of the institution. This fact is specially significant and gratifying, as an evidence, not of spasmodic or exceptional growth, but of the increasing hold, which the Seminary is obtaining upon the confidence and esteem of the Church. It seems to be simply in the line of that steady growth, which has marked its history for a number of years past.

From time to time, the Trustees have been able to report the health of the professors and students as uniformly good, and the same report might be made for the present year, but for the fact, that during the winter, there was no exemption here from an epidemic influenza, which was prevalent throughout the country at large.

With the customary exceptions, in so large a number, the proficiency and deportment of the students have afforded gratifying indications of fidelity to the obligations assumed by them.

The Senior class numbered twenty-five, to twenty of whom was awarded, by the Trustees, the usual *certificate* of having completed the prescribed course of instruction, to wit: S. R. Booker, Virginia; P. F. Brown, Virginia; W. C. Clark, Georgia; J. L. Currie, N. C.; W. A. Dabney, Georgia; A. S. Doak, Tennessee; W. T. Howison, Missouri; C. W. Humphreys, West Virginia; J. S. LeFevre, West Virginia; F. W. Lewis, Virginia; C. L. Lingumfelter, West Virginia; T. M. McConnell, Virginia; A. S. Moffet, Virginia; J. McCallough, Kentucky; K. McDonald, N. C.; E. F. Pritchett, N. C.; I. V. Scott, Virginia; N. K. Smith, Tennessee; J. E. Triplett, Virginia; E. D. Washburn, Georgia. Certificates of probity and theological attainment, were also granted to J. A. Armstrong, Virginia; S. H. Chester, S. C.; and P. D. Stephenson, Missouri; who were constrained, by ill health and other causes, to leave the Seminary before the end of the term.

In all, thirteen students left the Seminary before the close of the term. In a majority of these cases, the action was with the approval of the faculty, as the circumstances were such as made it necessary.

The library has received an increase of more than three hundred volumes, making the whole number 9,937.

There has been no material change in the financial condition of the institution during the year. The State of Virginia, with a commendable spirit of liberality and statesmanship, pays the interest due on her bonds to her Seminaries of learning, and the other incomes, from public securities, have enabled the Treasurer to meet the salaries and current expenses. The Seminary owes no debt. During the financial year, ending 1st April, 1875, T. M. Niven, Esq., of New York, contributed one thousand dollars to found a scholarship. During the annual meeting of the corporation (April, 1875,) Mr. Jos. B. Wilson, of Rockbridge, Va., made a donation of thirty-five hundred dollars to found a scholarship. These liberal gentlemen merit and receive the recorded thanks of the Trustees. The usual financial exhibit is hereto appended.

The Trustees desire to express their deep sense of the seals of Divine favor which Union Theological Seminary, in Virginia, has received.
